Join us to gather the latest market intelligence, explore worldwide investment and business opportunities, as well as network with global leaders in government, finance and business.

“ This is my third time participating in the forum that has been organized for 10 years. It’s very focused and professional. The forum can inspire new thinking and new ideas, and enhance the market analytic capability as well as the investment capacity of the institutions. ”

Ding Xuedong, Chairman & CEO, China Investment Corporation

“ It’s fascinating to see many people come together and hold open discussion in the context of its structured programme that provides a lot of insights from the inside and from the outside. It’s been to me a tremendous learning experience. ”

Dr Mohamed A. El-Erian, Chief Economic Advisor, Allianz; Former Chair, The President Obama’s Global Development Council; Former CEO and Co-CIO, PIMCO

“ I think it is a remarkable gathering... It is very exciting, I've learned a lot by being here. ”

Charles L. Evans, President, Federal Reserve Bank of Chicago

“ The forum has a broad perspective with Asian focus. It is an important platform to encourage regional economic development. The forum is obviously effective. ”
